**Explanation of Responses:**

- On May 15, 2018, the Compensation Committee of the Board of Directors (the "Committee") granted a 2018 performance share award under the Issuer's E-LTIP program. Earlier in the year, because of the then-pending Fujifilm transaction and other factors, the Committee had determined to establish performance goals for 2018 for one-third of the awarded target shares but to defer establishing vesting conditions for the balance of the award until a later date. The Committee has determined that, effective January 14, 2019, the balance of the award will be subject to service-based vesting conditions and will pay out at target. The serviced-based portion of the award is being reported on this Form 4. This award will vest in full on May 15, 2021.
- This award of restricted stock units vests in three installments of 25%, 25% and 50% on the first, second and third anniversaries of the date of grant, January 14, 2019.
